

Customer service - Forgot password

How to reset your password?

We all forget a password sometimes, and that is no problem of course! In this tutorial we going to explain how you can reset and request a new password

Click on this link and it will redirect you to the forgot your password page. Enter your email address with-which you are registered:

Then click on 'Reset your password' button

Reset your password

An e-mail will now be sent to your email address with which you have registered. That e-mail contains a link to reset your password. For safety reasons, this link is valid for 15 minutes and only for you. Do not receive e-mail? In that case, always check the spam and / or the unwanted e-mail folder.
